

DON'T THROW YOUR HARD-EARNED MONEY OUT THE WINDOW. HOW WELL WOULD LOCAL 888 REPRESENT YOU?

Did you know that 82 unfair labor practice charges have been filed with the National Labor Relations Board against Local 888?

Most were filed by Local 888's **own members**!

Here are just a few examples of what ***their members*** alleged in those charges:

We would like to file a charge against the union because we feel like they are threatening us by telling us that if we don't agree to what they tell us that they will fire us from our job and also telling us lies. We do not like to be threatened or lied to and again we are not interested in paying the union any money from our pay checks and we do not want a union.

Since about sometime in mid-February 2010 and continuing to the date of the filing of this charge, the above named union, by its officers, agents, or representatives, has failed and refused to represent [REDACTED] and [REDACTED] by failing and refusing to provide them with a copy of its collective bargaining agreement with the below named employer.

During the past six months and continuing to date, the above-named labor organization has restrained and coerced employees in the exercise of rights protected by Section 7 of the Act by refusing to process the grievance of (b) (6), (b) (7)(C) regarding the termination of [REDACTED] employment, for arbitrary or discriminatory reasons or in bad faith.

Since on or about February 12, 2015, and continuing to date, United Food and Commercial Workers Union Local 888, by its agents, officers, and representatives, has failed and refused to process to arbitration the grievance of [REDACTED], concerning her termination from [REDACTED], for reasons that are discriminatory, arbitrary, or otherwise unlawful.
