### About Us

Thrive Student Loan Advisors is dedicated to helping Federal student loan borrowers navigate the complex process of enrolling in Income-Driven Repayment (IDR) plans and qualifying for loan forgiveness. Our team specializes in guiding borrowers through every step of the application process, ensuring that their paperwork is accurately completed and submitted, minimizing delays, and maximizing their chances of approval.

With extensive knowledge of federal loan regulations and the nuances of IDR programs such as PAYE, REPAYE, IBR, and ICR, our experts are equipped to offer borrowers personalized solutions based on their financial situations. Whether explaining the eligibility criteria, helping borrowers calculate their payment amounts, or assisting with the recertification process, we provide the guidance and clarity borrowers need to make informed decisions about their loans.

### What We Do.

- Conduct comprehensive loan reviews for Federal Student Loans.
- Determine the best program that suits borrowers' goals.
- Confirm both loan & employment eligibility.
- Provide program payment projections and loan forgiveness opportunities.
- If you're not in good standing, we'll help get you there.
- Loans in Garnishment? That's our specialty!
- Handle all of the enrollment and administration.
- Help with annual re-certification.

### How We Can Help

Our Advisors are available to answer questions, review loans and, most importantly, help borrowers take advantage of historic & new Federal Student loan programs through Application preparation and submission.
