On The Road

2024

In January 2024, the AHRC-Citizen's Diversity Equity and Inclusion (DEI) Committee will be broadcasting our monthly conversation hour from selected sites and residences. In an effort to bring these important conversations on socially relevant diversity related issues we will be meeting in person for these events while hosting it virtually at your site or residence.

Attention All Staff: We are pleased to announce we will be continuing our monthly, interactive, safe space, dialogue venue, "DEI Conversation Hour" in 2024 on the 2nd Thursday of every month at 1:00pm with some great enhancement to support a strong foundation of dialogue.
